(b) *Filing petition with the Board.* The petition for review shall be filed with the Board and the date of filing shall be determined in the same manner as prescribed by § 821.7(a) for other documents.

(c) *Answer to petition.* The Administrator shall file an answer to the petition for review within 20 days of service upon him by the petitioner of the petition for review. Failure to deny the truth of any allegation or allegations of the petition may be deemed an admission of the truth of the allegation or allegations not answered.

(d) *Stay of proceeding pending request for special issuance (restricted certificate).* The Board lacks authority to review special issuances, or to direct that they be issued. Where a request for special issuance (restricted certificate) has been filed with the Administrator pursuant to the Federal Aviation Regulations, the Board will hold a petition for review in abeyance pending final action by the Administrator or for 180 days from the date of the Administrator's initial certificate denial, whichever occurs first.

(e) *New evidence.* If petitioner has undergone medical testing or evaluation in addition to that already submitted or known to the Administrator, and wishes to introduce the results into the record, the new medical evidence must be served on the Administrator at least 30 days before the hearing. Absent good cause, failure timely to serve any new evidence will result in its exclusion from the record. The Administrator may amend his answer within 10 days from the date the new evidence is served to respond to such new evidence.
